

**JEB DUNNUCK****94****2021 Crosby Roamann Cabernet  
Sauvignon Crosby's Reserve**

---

Brought up in new barrels, the 2021 Cabernet Sauvignon Crosby's Reserve is an inky-hued, concentrated, powerful wine in the vintage that has ample cassis and darker berry fruits as well as classic lead pencil and spicy oak nuances. I loved its overall balance, it's medium to full-bodied, has ripe tannins, and a great finish. It's the finest wine I've tasted from this producer, and it's going to benefit from 2-4 years in the cellar and evolve gracefully over the following decade or more.
