2021

**ESTATE BOTTLED
WHITE WINE
NAPA VALLEY**

We gently whole-cluster press the juice to concrete, and ferment on native yeast for five weeks. The wine then ages nine months in a selection of new and neutral French oak barrels, and stainless steel drums. We perform a light pad filtration (solely for clarity) and cold stabilization prior to bottling by hand at the winery, with minimal sulfur.

Mellow aromas of acacia and peach juice. White rose, lemon-lime, and vanilla bean, with a soft and lingering finish reminiscent of apricots and white plums.

Delightful now, the wine will gain complexity over the next year and reach its apogee from 2023 - 2024. *Carbon Neutral.*
