

CROSBY ROAMANN

2022

ESTATE BOTTLED SAUVIGNON BLANC NAPA VALLEY

Crosby Roamann is a small vineyard in the southern part of Napa Valley which produces just 600 cases of Sauvignon Blanc per year. This wine ferments on native yeast for five weeks and ages ten months in new French oak and steel.

Mellow aromas of acacia and peach juice on the nose, with white rose, lemon-lime, vanilla bean, and a soft and lingering finish reminiscent of apricots and white plums. Delightful now, the wine will gain complexity over the next year and reach its apogee by 2026.
