2016

Pinot Noir

Filigreen Farm

*Old Saint George*

Anderson Valley, Mendocino County

Produced & Bottled by Sean W. McBride

Also sourced from the biodynamically farmed Filigreen Farm, the “Old Saint George” is selected especially from heritage clone Pinot Noir grafted onto 65-year-old Saint George rootstock. This block ripens more slowly than the rest of the vineyard, and produces wines of greater flavor sophistication and higher acidity. We fermented our one-half ton of the 2016 vintage on naturally occurring yeasts in open top neutral barrels, with 50% stem inclusion, and pressed entirely by hand. The wine aged in a single one-year old French barrel, and was racked to steel prior to bottling unfiltered, and unfiltered. One barrel; 23 cases produced.
