Pinot Noir

Filigreen Farm

Old Saint George

Anderson Valley, Mendocino County

Produced & Bottled by Sean W. McBride

Sourced from the biodynamically farmed Filigreen Farm, the “Old Saint George” is selected especially from heritage clone Pinot Noir grafted onto 65-year-old Saint George rootstock. This block ripens more slowly than the rest of the vineyard, producing wines of greater flavor sophistication and higher acidity. We fermented our small lot of the 2017 vintage on naturally occurring yeasts in a concrete egg, with 50% stem inclusion, and we pressed at 17 days entirely by hand in our old hand-crank press. The wine aged in one new and one year-old barrel, and was racked to steel prior to bottling unfinned, unfiltered. Two and a quarter barrels; 60 cases produced.
