**2012**

**CABERNET SAUVIGNON  
OAKVILLE, NAPA VALLEY**

From the corner of the Silverado Trail and Skellenger Road on the border between Rutherford and Oakville on the east side of Napa Valley. Our fruit for this Cabernet Sauvignon was grown in a deep composite gray clay soil from young vines. Manually sorted and fermented in temperature-controlled stainless steel for twenty-eight days. One barrel of Merlot from the Oak Knoll District was blended in (10%). The wine spent thirty months in French and American oak barrels, 60% new. We love the balance of fruit and tannin in this wine, which displays notes of blueberries, mild dried herbs, vanilla and confectioner's sugar.
